Dear Espirito Santo School families,

You may know that Espirito Santo School has been participating in the E-Rate program for the past several years. The E-Rate program is a Federal program which provides schools and libraries across the country with substantial discounts on their technology services.

These discounts reduce the costs of our Internet access and the internal connections we use to build and maintain the computer networks that link our classrooms. The size of the discounts which we receive is based on the income level of our students' families.

We need your help qualifying for the largest discount allowable by providing us with some very general information. Please take a minute to fill out and return the attached survey to me, either via this form/envelope, or emailing this survey to ARaposo@es.dfrcs.org. This information will remain confidential and will be reported only as a total group, not by individual families, and will not be used for any purpose other than E-rate. The school must collect data from **all families, no matter where you live.**

Please understand that these are your federal tax dollars at work, and we want to maximize the return. It will benefit our students, and students to come in the future.

I would ask that this form be completed by **Monday, November 3rd, 2025** in order for the school to receive the maximum funding. If you have any questions, you may contact me in the school office at 508-672-2229 or by email at ARaposo@es.dfrcs.org.

Sincerely,

Andrew J. Raposo
