Message from Bishop Stang High School: Spring is the perfect time to visit Bishop Stang High School and experience their community first hand! Join them for a special opportunity to enjoy a student-guided tour during the school day, where you'll see some classrooms in action and gain an authentic glimpse into daily life of the school. You'll also have the chance to meet and engage with school leadership, ask questions, and learn more about what makes the Bishop Stang community unique. If you choose an afternoon session, there may be a sporting event happening on campus which you could enjoy watching afterwards.

Dates Available: April 29, May 4, or May 15

Time: 8:30 am or 1:30 pm

This visit is designed to be both informative and welcoming for all families. Especially middle school families just beginning to explore options for high school. They also welcome families of rising 9th graders who are still discerning their high school option for 2026-2027, as there is limited space still available.
