New Information This Week

Diocesan Wellness Parent Survey: (This message is from the Catholic Schools Office)

We are asking for your help in completing a brief Parent Survey for the School Wellness Committee of the Diocese of Fall River Catholic Schools. Please see the link below. Your feedback is very important to us. The information you provide will help our school better understand the needs of our students and families so we can continue to improve our programs, services, and overall school environment. In addition, the results of this survey will support our diocesan schools in applying for grants. These grants can provide valuable resources to address the needs identified through your responses.

We are asking all families to please complete the survey before May 22nd. The survey should only take a few minutes to complete, and all responses are anonymous.

Thank you for taking the time to share your thoughts and support our school community.
