Dear Parents,

The Catholic Education Office of the Diocese of Fall River has asked that we complete the NCEA Databank Report for this school year. The NCEA (National Catholic Education Association) is the largest, private professional education association in the world. NCEA works with Catholic educators to support ongoing faith formation and the teaching mission of the Catholic Church. Our membership includes more than 150,000 educators serving 1.9 million students in Catholic education. In order to complete this report, we need to collect some data. Please fill out the following information, and return to the school.

Sincerely,

Mr. Andrew J. Raposo

Principal
