## After School Enrichment Program Course Registration Form

### World of Science

(Topics subject to change)

#### **All About Animals**

Children explore the animal kingdom learning about diverse creatures as they experiment with camouflage, see what's inside animals, and discover some are spineless! They take-home Animal Tracks.

#### **Get Connected**

Children take on telecommunications with activities like seeing the sound of their voice and chatting on their own telephone network. Children beam with a Wired World take-home product.

#### **Life in the Sea**

Children will explore different ocean ecosystems and learn about the plants and animals that live there. They classify creatures from sharks to sponges for a taste of ocean diversity. The Anaglyph Sea Puzzle take-home brings 3-D sea creatures home.

#### **Mix It Up**

Children branch out into the physical aspect of chemistry. They pick up concepts of physical mixtures, solutions, and suspensions with sorting activities and colorful demonstrations explain molecular movement. Children take a Super Sorter home.

#### **Moving Motion**

Children catapult into Newton's laws of motion! They yank a cloth from under dishes and send crash dummies flying. They see action-reaction forces at work. They take home the Newton Spinner.

#### **Radical Robots**

Children explore the world of robotics! Robots draw shapes, detect objects, and track lines. Children control an automaton with sound, move a robot through a maze, and use wireless controls to move buglike devices! Children build a Robot Hand to take home..

#### Registration opens 10/2/23

Registration for the 6 week After School Program at Espirito Santo Elementary School will be done entirely on-line using Mad Science's secure site. You do not need to provide any credit card or other financial information to register, and we do not share or use your e-mail address for any purpose other than communication. *(If you do not have internet access, you can call our office at the number above and register by telephone.)*

1. Navigate to the Registration website <https://MadScienceSMARI.com/Register>
2. Find the class for "Espirito Santo Elementary School" and click "select" on the right.
3. If it says "Call to Register", then it is past the registration deadline of 10/16/23 or registration has been closed. Call Mad Science at 508-679-0081.
4. Click "Sign in or Create Account". If you have not registered previously, there is a form to provide information for you and your children.
5. Update your child's **Grade** and **Teacher** as required and click "Select". (If the class is Full click "Wait List".)
6. Provide after class pick-up information and click the "Register Children" button.
7. Verify the information on the next screen and click "Checkout".
8. Select "Cash / Check / Money Order" for payment, verify that you have read and agree to the *Terms & Conditions*, and click "Purchase".
9. The next screen will display an invoice, and you will be e-mailed a copy. If you do not see the invoice, *your children are not registered!*
10. Mail payment to the Mad Science office (54 McDonald Street, Fall River, MA 02720), send it in on the first day of class, or call Mad Science (508-679-0081) with credit card information.
