After School Enrichment Program Course Registration Form

Science at Play

(Topics subject to change)

Bugs!

Get engrossed in entomology. Learn about bugs and dispel some of their myths. Learn how insects defend themselves and how they can adapt to their surroundings. Children will get their own Insect-A-Vision to continue their explorations at home.

Detective Science

Use science to crack a case! In this class, children will learn how detectives solve crimes. Learn about fingerprinting, impressions, and more to help them solve the Bustertown Bake Off crimes.

Earthworks

An introduction to the science of geology. Learn about three types of rock and how they are formed. What causes earthquakes, volcanoes, and mountains to form? Make a sedimentator to bring home. Rocks really do rock!

Kitchen Chemistry

Get clued in on the reactions that occur when you prepare, cook, and eat your food. Inflate a balloon with just yeast and sugar. Test your food for nutrients, proteins, and vitamins before they are digested.

Movie Effects

Sit in the director's chair as we learn how movies are made. 3D, sound, and special effects are just some of the topics we will touch upon. Get your own Cartoon Creator so you can make your own movie.

Walloping Weather

See how weather systems are formed! See a cloud form in front of your eyes. Learn how air changes can affect the weather. Make your own ultraviolet light detector.

Mad Science of Southern MA & RI

MadScienceSMARI.com/Register

Mad Science® is an extension of the school day, not an after-care program, therefore only children with a sincere interest in our programs and the necessary maturity to handle an additional school class should participate. All children enrolled are expected to adhere to basic behavioral guidelines.

Disruptive or disrespectful behavior will not be tolerated.

SouthernMass.MadScience.org

Registration opens 9/6/24

Registration for the 6 week After School Program at Espirito Santo Elementary School will be done entirely on-line using Mad Science's secure site. You do not need to provide any credit card or other financial information to register, and we do not share or use your e-mail address for any purpose other than communication. *(If you do not have internet access, you can call our office at the number above and register by telephone.)*

1. Navigate to the Registration website <https://MadScienceSMARI.com/Register>
2. Find the class for "Espirito Santo Elementary School" and click "select" on the right.
3. If it says "Call to Register", then it is past the registration deadline of 9/20/24 or registration has been closed. Call Mad Science at 508-679-0081.
4. Click "Sign in or Create Account". If you have not registered previously, there is a form to provide information for you and your children.
5. Update your child's **Grade** and **Teacher** as required and click "Select". (If the class is Full click "Wait List".)
6. Provide after class pick-up information and click the "Register Children" button.
7. Verify the information on the next screen and click "Checkout".
8. Select "Cash / Check / Money Order" for payment, verify that you have read and agree to the *Terms & Conditions*, and click "Purchase".
9. The next screen will display an invoice, and you will be e-mailed a copy. If you do not see the invoice, *your children are not registered!*
10. Mail payment to the Mad Science office (54 McDonald Street, Fall River, MA 02720), send it in on the first day of class, or call Mad Science (508-679-0081) with credit card information.
